

Leg Meat and Drumsticks

* Minimally Processed. No Artificial Ingredients. No Preservatives.

All Natural* Chicken

All Natural* Leg Meat, Whole Legs and Drumsticks

The Wayne Farms® brand of poultry includes fine, fresh chicken products, hand-deboned and ready for value-added processing or cook and serve convenience. This line of farm-fresh poultry is targeted for both retailer and distributor applications.

Features & Benefits

Packaged for Freshness

Wayne Farms® chicken offers fresh, customer-pleasing taste that ice-pack cannot deliver. Vacuum packaging preserves the fresh flavor and appearance for an extended shelf life.

Hand Deboned

The Wayne Farms® boneless chicken items are all deboned by hand, ensuring precision and accuracy.

All Natural

Wayne Farms® fresh poultry is all natural meaning it is minimally processed and will not ever include any artificial ingredients or added preservatives.

Versatile

Our fresh leg meat and drumsticks are perfect for virtually any menu preparation – grilling, frying, baking, roasting and more.

Clear Labeling

Easy-to-read product descriptions, product codes, packing dates and other product details.
